

P.6 Camp at Cheung Chau

Text by Winnie Lau (6B)

All the Primary Six students went to Cheung Chau (長洲) for the graduation camp. We had a good time there. We had a lot of activities, such as playing games, singing karaoke and shopping.

My favourite place was Cheung Po Chai Cave (張保仔洞). I thought it was very exciting to explore the cave. At first I thought it was big. However, it wasn't big. It was small and narrow. When we arrived at the exit, we thought we didn't have enough fun.
